

# Central Campus

---

For the latest campus information visit the college's Central Campus website or call the Information Call Center at 704.330.2722.

## History

In 1963, the North Carolina General Assembly passed the community college bill. Opening as a fully integrated institution, Central Piedmont combined the programs of the Central Industrial Education Center (CIEC) on Elizabeth Avenue and Mecklenburg College on Beatties Ford Road. The college sold its property on Beatties Ford Road and enhanced the campus around the old Central High School complex located at Elizabeth Avenue and Kings Drive. As the college acquired surrounding property, the original 3.94 acres expanded into a beautiful, tree-shaded, 31-acre Central Campus. This campus is the largest in the college's multi-campus system and serves more than 25,000 students annually. Central Campus is the site location for the Advanced Technologies Center, Health Careers Building, the Phillip L. Van Every Culinary Arts Building, Levine Information Technology Building, the Library, the North Classroom Building for College and Career Readiness, the Christa and Reece A. Overcash Academic and Performing Arts Center, which houses the Dale F. Halton Theater, and Student Life programs. The Central High Building houses the majority of student services including, Cashiering, Counseling, Disability and Access, Testing, the Graduation Office, and the Bank of America Center for Military Veterans and Families.

## High Schools Near the Campus

High Schools near Central Campus are Garinger, Harding University, Myers Park, Philip O. Berry Academy of Technology, and West Charlotte.
