---

The CPCC Foundation exists solely for the benefit of the college and its students. The Foundation solicits contributions from individuals, corporations and foundations. Contributions received through the Foundation support student scholarships, instructional equipment, capital projects, programs, innovation and recognition awards, endowment funds and a variety of other needs not met through traditional funding sources.

Annual Swirl, Charlotte Skyline Run and Sporting Clays Classic events are sponsored by the Foundation to raise support and visibility for the college and its programs. The Foundation also works to engage college alumni in the life of their alma mater.

Ways to support the work of the college include gifts of cash or securities, bequests, estate plans, honorariums and memorial funds made payable to CPCC Foundation, Inc. Contributions may be designated for specific programs and projects and may be given outright or through a pledge extended over a period of time.

All donations for the college should be directed to the Central Piedmont Community College Foundation Inc., a 501(c)(3) organization, qualified to receive tax-deductible contributions. Student clubs wishing to raise financial support should contact the Foundation at the beginning of their planning phase. Students, faculty and staff may be interested in learning more about Project Funder (<http://www.cpccfoundation.org/projectfunder>) at CPCC: focused, short-term fundraising drives designed to build support for specific projects across the college.
