

College Life

CPCC is committed to fostering student success. It accomplishes this through an assortment of services and resources that help individuals reach their full potential as a student or working professional. CPCC staff members are committed to responding to each person's needs to help them succeed both academically and professionally, while maintaining a learning environment that is engaging, challenging and secure.

Student Handbook

The online student handbook is a comprehensive site including important CPCC policies that govern academic and campus life, as well as other valuable student information.
