

Enrollment and Student Services Directors

Enrollment and Student Services Directors (ESS Directors) provide campus leadership to ensure efficient operation of Enrollment and Student Services functions on each campus. ESS Directors coordinate student services schedules, assist with campus-wide programming and serve as liaisons for student conduct and issues. Recommendations or concerns about student services on area campuses should be directed to the ESS Directors.

Area campus tours are coordinated by ESS Directors and are given with advance notice.

Future students are welcome to contact ESS Directors for general questions about services offered at area campuses:
