

Testing and Assessment Centers

Testing and Assessment Centers on four CPCC campuses support the learning process by serving students, faculty and community testing needs. The centers administer a wide variety of tests for instructional placement, certification, licensure and other specialized purposes. Physically attractive atmospheres and a low-key method of operation are designed to help reduce test anxiety. The Testing and Assessment website (http://www.cpcc.edu/testing_assessment) provides hours of operation, placement test schedule, test-taking strategies, practice placement tests, placement test review videos, and additional testing information.

Testing Rules

- Fees may apply for certain testing services.
- A photo ID is needed for all testing services.
- As a courtesy to others and for security purposes, students are required to turn off and put away all electronic equipment such as tablets and cell phones before entering testing areas.
