Testing and Assessment Centers

Testing and Assessment Centers on four CPCC campuses support the learning process by serving students, faculty and community testing needs. The centers administer a wide variety of tests for instructional placement, course, distance learning, certification, licensure and other specialized purposes. Physically attractive atmospheres and a low-key method of operation are designed to help reduce test anxiety. The Testing and Assessment (http://www.cpcc.edu/testing_assessment) website provides hours of operation, placement test schedule, test-taking strategies, practice placement tests, placement test review videos, and additional testing information.

• A photo ID is required for all testing services.
