

# Corporate Learning Center

---

---

The Corporate Learning Center brings together the entire college to focus on meeting the learning and development needs of businesses and organizations in Mecklenburg County. The span of relevant learning topics, along with the real-world experience and expertise of instructors, enables powerful collaborations with employers. Engagements address job and skills training, leadership, performance, and organizational needs.

The Corporate Learning Center also actively partners with state, local, and regional economic development entities to coordinate and assist with new and expanding operations and employee hiring.

## Group Training

Custom and small group training is available by contacting the Corporate Learning Center at 704.330.4660 or visit the Corporate Learning Center website.
