

Advertising + Graphic Design

The future belongs to those who are able to solve problems with courageous creativity. The Advertising + Graphic Design curriculum is designed to provide students with the knowledge and skills to be the next creative leaders in our community. Graduates of the program are prepared for employment in creative industries, including graphic design firms, advertising agencies, marketing communications and in-house creative groups.

Students learn the development of concepts and design for visual communication materials such as ads, corporate and brand identity programs, print and interactive media.

For specific information about potential positions and wages in Advertising + Graphic Design employment, visit the Central Piedmont Career Coach (<https://cpcc.emsicc.com/programs/advertising-and-graphic-design-academic-program-for-credit/198260?radius=®ion=50%20Mile%20Radius>) website.
