

Office Administration

The Office Administration curriculum prepares individuals for positions in administrative support careers. It equips office professionals to respond to the demands of a dynamic computerized workplace.

Students complete courses designed to develop proficiency in using integrated software, oral and written communication, analysis and coordination of office duties and systems, and other support topics. Emphasis is placed on non-technical as well as technical skills.

Graduates should qualify for employment in a variety of positions in business, government, and industry. Job classifications range from entry-level to supervisor to middle management. With appropriate work experience, graduates may apply for certification as a Certified Professional Secretary® (CPS®)/Certified Administrative Professional® (CAP®) through the International Association of Administrative Professionals (IAAP).

For specific information about potential positions and wages in office administration employment, visit the Central Piedmont Career Coach website.
