

Lost and Found

Lost and Found is managed by College Security Services. Found items can be turned in by calling the Security Dispatch Center at 704.330.6632. College Security Services will send an officer to pick up the item. Found items also may be returned to Security at each campus. Lost items are stored by College Security for 30 days. Unclaimed items beyond that time frame are disposed of according to North Carolina Law.

Inquiries about lost items should be directed first to the College Security Services Office at the campus where the item was lost. To determine if someone has turned in a lost item to Security, call 704.330.6632 to describe the item. Found items are electronically recorded by description in a database for all Dispatchers and Security Officers to access. If Security has an item similar to an item described, directions are given as to how and where the lost item may be identified and claimed.
