

About Central Piedmont

As a champion of students, a catalyst for opportunity, and an exceptional provider of learning experiences, Central Piedmont transforms lives and strengthens the Charlotte Mecklenburg community. Central Piedmont offers academic programs at eight locations throughout Mecklenburg County as well as online. With nearly 300 degree, diploma, and certification programs; customized corporate training; market-focused continuing education courses; and special interest classes, Central Piedmont serves thousands of Mecklenburg County residents each year as a vital partner to business, government and educational agencies.
