

Welcome to Central Piedmont Community College

President Dr. Kandi Deitemeyer

Central Piedmont Community College prides itself on accomplishing its mission of ensuring that the college is comprehensive, inclusive, and accessible by reducing financial, environmental, social, and educational barriers to all members of our community as they pursue their diverse goals.

The heart of that mission is the college's commitment to students and their success. It is the collective responsibility of each of us to provide a student-centered and supportive environment that fosters lifelong learning.
