

# GED/HiSET - High School Equivalency Community (HCO)

---

**HCO 6000. High School Equivalency Community Based. 0.0 Hours.**

Class-140.0. Clinical-0.0. Lab-0.0. Work-0.0

This course provides students enrolled at partnering community organizations with an opportunity to prepare for the High School Equivalency Tests. Emphasis is placed on strengthening critical thinking and academic skills through multi-level, multi-subject instruction. Upon completion, students should be able to apply higher level math, reading, writing, social studies and science skills required for passing the High School Equivalency Tests.
