Substance Abuse Certificates (C4538E)

Students must receive a final grade of "C" or higher in all DDT, HSE, SAB and GRO courses in order to receive credit toward a Human Services Technology degree or certificate. A GPA of 2.5 or higher is required for students to begin their internship.

The certificates are designed to provide students with a concentrated course of study in the field of Substance Abuse. Selection of certificate choice depends on the student's specific career goals. Upon completion of these courses, a certificate is awarded by the college. This certificate may be applied towards the initial or renewal of Certification/Licensure through the North Carolina Substance Abuse Professional Practice Board or NAADAC, the Association for Addiction Professionals.

Notes

It is strongly recommended that certificate students who are interested in a career as a substance abuse counselor take *all* of the substance abuse (SAB) courses, not just those required for a particular certificate, to fully prepare for clinical practice, meet Board training requirements and prepare for the Board credentialing exam.
