Polysomnography (A45670)

Degree Awarded

The Associate in Applied Science Degree – Polysomnography is awarded by the college upon completion of this program.

Admissions

- Complete an admissions application to Central Piedmont.
- Submit high school transcripts, as well as any college transcripts, to Admissions, Records & Registration.
- Take the required placement tests.
- Complete any required Developmental classes with a “C” or better.
- Complete and submit a Polysomnography admissions packet.
- Applications must present evidence of good physical and mental health appropriate for students to meet the clinical standards of the profession. A physical examination documenting the applicant’s ability to complete all program requirements is required.
- Students must be selected to enter the Polysomnography program. Upon acceptance and enrollment in the program, students must take all courses as scheduled and sequenced.
- Continued progression in the program requires a grade of “C” or better in each PSG prefix course in each semester.
- Many courses have prerequisites or co-requisites; check the Courses section for details.

Please refer to enrollment instruction for a degree or transfer student under the Admissions Enroll Now tab.

In any Associate Degree Health Sciences program for which there are more applicants who have completed pre-admission requirements than there are positions, admission points are assigned according to the applicant’s documented record. Criteria for selection include scores on the past academic performance, and experience in the field of interest.

Additional Expenses and Requirements

In addition to tuition and textbooks, costs of this program include uniforms, and professional shoes, a physical examination including immunizations and drug screening.

A student must provide documentation of both health-related and accident insurance.

In order to participate in clinical education experiences at health care facilities, students may be required to submit results of a North Carolina state or national criminal background check at their own expense. As a condition of program admission, students may be required to verify that they are United States citizens or are otherwise legally authorized residents of the United States.

All students are required to be certified in Health Care provider B.L.S. CPR.
