

College Transfer Associate in Engineering (A. E.) Degree

The Associate in Engineering (AE) degree is designed for students who plan to transfer to 4-year colleges and universities to major in Engineering. The degree transfers as a block to North Carolina public universities and other institutions which participate in the Comprehensive Articulation Agreement (CAA). Electives should be selected based on the intended major. For specific requirements, consult with an academic advisor in the Central Piedmont Natural Sciences Division, a Central Piedmont Transfer Advisor, or the catalog for the senior four-year school to which transfer is intended. Students are encouraged to take the Accuplacer College Level Mathematics Test to be able to start with Calculus I in the first semester of study.

For the most current information on the Associate in Engineering degree, visit the Associate in Engineering degree page.
