## Associate in Fine Arts in Visual Arts (A10600) Suggested Course Sequence

The following is the suggested course plan if you would like to complete the Associate in Fine Arts and transfer to a four-year school to major in visual arts. This plan is based on the program requirements of the 2023-2024 catalog. This is only a recommendation — you may take courses in another order upon consultation with your advisor. This plan is based on you starting with college-level math and English courses, starting your program in the fall, and attending full-time. You can also follow this sequence if you attend part-time. Speak with an advisor about your plans and note that recommendations may vary depending on your intended transfer institution.
