

# Emergency Food Pantries

---

Service-Learning partners with a local non-profit, Loaves & Fishes, to establish Emergency Food Pantries on Central Piedmont campuses for students facing food insecurities. The Emergency Food Pantries provide individuals and households within the Central Piedmont community with two days' worth of non-perishable food per visit. The amount of food received depends on how many people live in the household. Students need to bring their college identification cards with them when visiting a pantry.

Emergency Food Pantries are located on:

Cato Campus, Cato I Bldg, Room 108B  
Central Campus, Worrell, Room 2167
