

Lost and Found

Lost and Found is managed by College Security Services. Found items can be turned in by calling the Security Dispatch Center at 704.330.6632. College Security Services will send an officer to pick up the item from you. Found items also may be turned into the College Security Services office at each campus. College Security Services stores lost items for 30 days. Unclaimed items beyond that time frame are disposed of following department guidelines. College Security Services does not store the following items: any liquids opened or unopened, any item that has food or ever contained food, or promotional items. Found Central Piedmont student or employee ID cards are returned to the ID station on the campus where the ID card was found.

Inquiries about lost items can also be directed first to the College Security Services Office at the campus where the item was lost. To determine if someone has turned in a lost item to Security, call 704.330.6632 to describe the item. Found items are electronically recorded by a description in a database for all Dispatchers and Security Officers to access. If Security has an item similar to an item described, directions are given as to how and where the lost item may be identified and claimed. Items turned into College Security Services with personal identification information will be destroyed by shredding after the 30-day waiting period if not claimed by the owner.
