

TRIO Student Support Services

TRIO - Student Support Services is funded by the U.S. Department of Education to provide opportunities for academic development to first-generation, low-income, and students with disabilities enrolled at Central Piedmont Community College. Student Support Services is a college retention and degree completion program centered on academic, personal, social, and career support for under-resourced college students. Services include:

- academic and personal coaching
- academic tutoring
- scholarship information and financial aid application assistance
- financial literacy instruction
- information on the college transfer process
- and more
