

Veterans Education Benefits Regulations

Chapter 1606: Educational Assistance for Members of the Selected Reserve

Chapter 1606 is for individuals in the Selected Reserve or National Guard. Members should have a six-year obligation to serve in the Selected Reserve signed after June 30, 1985. An officer will need to have agreed to serve six years in addition to the original obligation. Eligible members need to complete initial active duty for training (IADT), obtain a high school diploma or equivalency before applying for benefits, and remain in good standing while serving in an active Selected Reserve unit. The Department of Defense (DOD) is responsible for determining eligibility and issuing DD Form 2384-1 Notice of Basic Eligibility (NOBE). Tuition Assistance, awarded by the respective branch of service, may be available to the National Guard or Active Duty Personnel members. Eligibility requirements are available at the member's unit command.
