## College Admission

Central Piedmont follows an open-door policy that welcomes all students without regard to color, creed, disability, race, national origin, or gender. Steps for admission vary, depending on the learning goals of each student. An admissions office is available on every campus. For questions, contact us at [admissions@cpcc.edu](mailto:admissions@cpcc.edu) or by phone at 704.330.2722.

Students may enroll throughout the year, but the college has **Admissions Priority Deadlines**. Use the deadlines to allow time to register for classes in the next upcoming term. Find updated deadlines and detailed information about admission processes on the Admissions webpage. New college applicants are encouraged to contact the college early in order to complete enrollment steps before the class registration period begins.

Registration is ongoing throughout each semester, with registration dates and new classes typically announced in late April, early July, and late November.

See the Corporate and Continuing Education section of the catalog or visit the Corporate and Continuing Education Web page.

## Program Changes

- **Students who want to change their program of study** must meet with an Advisor or the academic department offering the new desired program before registration begins. Veterans Affairs students must contact Military Families and Veterans Services before making any program changes.
- **Students receiving Financial Aid** should consult the Financial Aid office prior to making a program change to determine if the program change will affect their eligibility for financial aid.
